January 15, 2008

Dear Community Supporter:

Good Friend, a program of Green Chimneys is conducting its inaugural **Bowl with Friends 2008 Campaign**. We are seeking a Title Sponsor. We only allow one title sponsor a year, please consider making this YOUR Company's year!

The event will be held on **Sunday, March 30th, 2008** at **Lore's Lanes** located in New Milford, CT at 145-D Danbury Road from **10:30 am – 3:00 pm**. **Bowl with Friends** is a fund raising event that uses bowling as its vehicle to raise the necessary funds for the Good Friend Mentoring Program. It provides strong financial support, making it possible to maintain both the quality and quantity of services provided to children, as well as an opportunity to recruit more volunteer mentors.

Good Friend last year served over 144 youths in the Greater Danbury Area. We assisted in sending 17 area youths to camp for 3 weeks. This year our Adopt a Family Holiday Giving program provided gifts and food to 40 area families. In addition to all of that, our main mission is to match children from single parent /no parent homes to caring adults in the community who spend about 10 hours a month offering guidance and friendship.

The title sponsor's benefits include;

- Your Company's name/logo on all printed materials related to the event
- Mention in all advertising as the title sponsor
- Your Company's name/ logo on the front of all Bowler pledge sheets
- Your Company's banner displayed on the day of the event
- Your Company's name/logo in prominent position on back of event T-shirts
- The option to set up an information table on the day of the event
- The option to have 10 of your associates (2 teams) come out to bowl and be eligible for fantastic prizes.

**The cost of this opportunity for your company is \$5,000. The service that this will allow us to provide for area youth is priceless.** We look forward to receiving your support. If you have any questions, please do not hesitate to call **Erin Simmons at 203-790-0032**. Thank you in advance for your consideration and interest.

Sincerely,

Lisa Benson  
Program Director
